Provider Services Department Accomplishments 7/1/22-6/30/23. Registration Services: The Registration Department offers three main services to Child Care Providers: Processing Initial Family Day Care (FDC) & School Age Child Care (SACC) Applications, Processing FDC & SACC Renewal Applications and performing inspections of FDC/SACC Program. During the period starting July 1, 2022 to June 30, 2023: We served 12 initial FDC applicants (4 - FDC Approved and 8 - FDC Withdrawn), and 36 SACC applicants (17 - SACC approved and 19 -SACC Withdrawn). The challenge with initial applications has been applicant follow through. Many applicants applied and found that they could not meet OCFS guidelines in the required time. The Registration Department also renewed 42 active FDC & SACC Programs. We assisted them in the process of renewing their registrations (12-FDC and 30-SACC). There were several closures in this period due to reduced enrollment, 10 FDC programs and 21 SACC programs closed. The Registration Department performed 514 inspections of FDC/SACC Program (152-FDC and 362-SACC). All inspections were conducted and closed within the approved timeframes. The greatest challenge in inspecting childcare programs during this period was access to the programs. Many programs were closed due to low enrollment. Schedule I, Part I, Line 2 - The Chief Financial Officer (CFO) and the Program Directors meet regularly to review the financial information, to ensure that only those expenses that are for the particular project or activity are included in the budget to actual reports, to determine if all activities are on track to completion or if any budget modifications are needed, and to make any adjustments that are necessary to properly report the financial information back to the grantor. The finance department prepares all claims but one (CACFP claims are prepared by program personnel) as required by the agreement either on a cost reimbursement basis or performance of contract basis. Beginning in August of 2021 the Council participated in a child care scholarship program through the Westchester County Department of Social Services, in which the Council's resource and referral department reviewed applications for families for eligibility to receive child care subsidies based upon income and other criteria. Disbursements for both programs were done through the Council's finance department.

Form 990, Part VI, Section B, Line 11b - The Chief Financial Officer (CFO) prepares a draft of the Form 990 and forwards it to the Council's independent auditors, the Board Treasurer, the Board Finance Committee, and the Executive Director for review and approval. Any questions are discussed and resolved and the CFO makes all changes and resubmits to the audit firm, the Board Treasurer, the Board Finance Committee, and the Executive Director for final approval and then approval by the full Board and signing by the Executive Director. All responses and documentation of preparation of the Form 990 are maintained in the CFO's office. The Form 990 often cannot be filed by the filing deadline, so the independent audit firm or CFO submits an automatic extension request to the IRS. Final copies of the Form 990 are distributed via e-mail to all Board members. If there are any major discrepancies noted or changes requested by the Board Treasurer, the Executive Director, independent auditors, CFO or any Board member, an amended return will be filed. The Council's Form 990 will be available upon request to those who require it.

Form 990, Part VI, Section B, Line 12c - The policy recognizes that a conflict of interest may exist whenever the personal or professional interest of a director or officer are potentially at odds with the Council's. The policy has in place mechanisms that identify and resolve matters to ensure that any such transactions are in the best interest of the Council over and above the interest of the Interested Party where the Interested Party is a director, officer or an immediate family member of a director or officer. A conflict of interest is defined as when actions, contracts, transactions or other dealings between the Council and an Interested Party or a Related Party (defined as any party, group or organization to which an Interested Party has an allegiance or affiliation) may result in a personal benefit to the Interested Party. A conflict of interest may also exist when an Interested Party serves as director, officer or staff member of an organization which competes with the Council or when an Interested Party or Related Party aids, financially or otherwise, such competing organization. Upon election or appointment as an officer or director, all officers and directors shall disclose any relevant interest of an Interested Party or Related Party as they relate to such director or officer which may represent a potential conflict of interest. The incoming officer or director will be provided with a copy of the conflict of interest policy. This disclosure statement is updated at least annually. If any question arises in the mind of any director or officer of the Council as to a potential conflict between his or her own individual interest and those of an immediate family member or those of a Related Party and the interest of the Council, full disclosure of all facts pertaining to the potential conflict shall be made to the Board of Directors. Fact gathering and subsequent review by the Board will determine whether or not an actual conflict exists or would occur. The potential conflict of interest will be addressed by the Council Board as follows: The Board of Directors of the Council shall investigate the potential conflict; The director/officer to whom the potential conflict relates shall not attempt to influence other Directors regarding the matter; The director/officer to whom the potential conflict relates may offer factual information to the Board or Committee, but no director/officer shall vote on their own matter although they may participate in the discussion regarding their exclusion; The Board shall also determine whether or not it can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not be a conflict of interest. The discussion and outcome of the investigation and due diligence performed by the Board will be recorded in the minutes of the meeting of the Board or Committee and will include the names of the persons who disclosed or were found to have a financial interest in connection with the conflict, the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the discussion.

Form 990, Part VI, Section B, Line 15 - The Council's salary guidelines are updated every few years by the management team by: (1) factoring in cost of living adjustments since the previous salary increases; (2) updating and standardizing job descriptions; (3) clustering jobs in five to six salary ranges; (4) determining the clusters through a standardized rating of accepted job factors: knowledge, problem-solving, supervision, latitude of decision-making impact, external contacts/relationships, policy involvement and scope of activity. Consensus is then reached by the management team on the job factor rating of each job description and the arrangement of all rated job descriptions into six clusters with salary ranges for each, intended to be guidelines subject to the availability of funding. The Council undertook a review and updated these guidelines in 2023, and salary adjustments were made at the beginning of 2024. Before the most recent salary increases, periodically over the past nine years, as fiscal conditions have allowed, there have been across the board increases to all salaries in an effort to make salaries more competitive.

Form 990, Part VI, Section C, Line 19 - The Council's governing documents, conflict of interest policy, and financial statements are available to the public upon request.

First Program Service Accomplishments Description

Description

Legally Exempt Department offers two main services to legally exempt child care providers. The department is contracted to process initial applications, renewal applications and conduct annual inspections. During the period starting July 1, 2022 to June 30, 2023: We processed 456 legally exempt provider applications. We accomplished our goals due to the work efficiency in the department. The challenge with processing the initial enrollment applications has been the timeframes and high turnover among providers. The challenge in processing the renewal enrollment applications has been the delay in providers submitting the renewal material on time and changes that need to be made to the enrollment. The Legally Exempt Department performed 46 inspections. Child and Adult Care Food Program: The Child and Adult Care Food Program helps providers pay for meals and snacks served to children up to age 13 enrolled in their childcare programs. As the sponsor of the contract, we are responsible for determining if meals served meet nutritional requirements, conducting monitoring visits, and providing training to participating providers. During the period of July 1, 2022-June 30, 2023 CACFP staff processed 2,921 menus, reimbursing providers for the healthy meals and snacks served to children. The CACFP staff conducted 405 food-monitoring visits and added 41 new providers to the program.
