

Is This the Right Place for My Child?*

Place a check in the box if the program meets your expectations	
Will my child be supervised?	Notes
<input type="checkbox"/> Are children watched at all times, including when they are sleeping?	
<input type="checkbox"/> Are adults warm and welcoming? Do they pay individual attention to each child?	
<input type="checkbox"/> Are positive guidance techniques used? * Adults should never yell, spank, or use other negative punishments.	
<input type="checkbox"/> Are the caregiver/teacher-to-child ratios appropriate and do they follow the recommended guidelines: <input type="checkbox"/> One caregiver per 3 or 4 infants <input type="checkbox"/> One caregiver per 3 or 4 young toddlers <input type="checkbox"/> One caregiver per 4 to 6 older toddlers <input type="checkbox"/> One caregiver per 6 to 9 preschoolers	
Have the adults been trained to care for children?	Notes
If a center, <input type="checkbox"/> Does the director have a degree and some experience in caring for children? <input type="checkbox"/> Do the teachers have a credential or associate's degree and experience in caring for children? If a family child care home, <input type="checkbox"/> Has the provider had specific training on children's development and experience caring for children?	
<input type="checkbox"/> Is there always someone present who has current CPR and first aid training?	
<input type="checkbox"/> Are the adults continuing to receive training on caring for children?	
<input type="checkbox"/> Have the adults been trained on child abuse prevention and how to report suspected cases?	
Will my child be able to grow and learn?	Notes
<input type="checkbox"/> For older children, are there specific areas for different kinds of play (books, blocks, puzzles, art, etc.)?	
<input type="checkbox"/> For infants and toddlers, are there toys that "do something" when the child plays with them?	
<input type="checkbox"/> Is the play space organized and are materials easy-to-use? Are some materials available at all times?	
<input type="checkbox"/> Are there daily or weekly activity plans available? Have the adults planned experiences for the children to enjoy? Will the activities help children learn?	
<input type="checkbox"/> Do the adults talk with the children throughout the day? Do they engage them in conversations? Ask questions when appropriate?	
<input type="checkbox"/> Do the adults read to children at least twice a day or encourage them to read, if they can read?	
Is this a safe and healthy place for my child?	Notes
<input type="checkbox"/> Are there clear policies and procedures for infection control (hand washing, diaper changing, sanitation schedule of toys and equipment, and use of gloves)?	
<input type="checkbox"/> Do adults and children wash their hands (after using the bathroom, changing diapers, eating, etc.)?	
<input type="checkbox"/> Are diaper changing surfaces cleaned and disinfected after each use?	
<input type="checkbox"/> Do all of the children enrolled have the required immunizations?	
<input type="checkbox"/> Are medicines labeled and out of children's reach?	
<input type="checkbox"/> Is the program approved to administer medication? ** Are adults trained to give medicines and keep records of medications? *	
<input type="checkbox"/> Are cleaning supplies and other poisonous materials locked up, out of children's reach?	
<input type="checkbox"/> Is there a plan to follow if a child is injured, sick or lost?	
<input type="checkbox"/> Are first aid kits readily available?	
<input type="checkbox"/> Is there a plan for responding to disasters (fire, flood, etc.)?	

<p>Is the outdoor play area a safe place for children to play?</p> <ul style="list-style-type: none"> ▶ Is it checked each morning for hazards before children use it? ▶ Is the equipment the right size and type for the age of the children who use it? ▶ In center-based programs, is the playground area surrounded by a fence at least 4 feet tall? ▶ Is the equipment placed on mulch, sand, or rubber matting? ▶ Is the equipment in good condition? 																									
<p>Is the program/provider within NYS Regulated ratios and maximum group size?*</p> <p>If a center,</p> <table border="1"> <thead> <tr> <th>Age Group</th> <th>Child/Adult ratio</th> <th>Maximum Group Size</th> </tr> </thead> <tbody> <tr> <td>▶ 6 weeks-18 months</td> <td>4:1</td> <td>8</td> </tr> <tr> <td>▶ 18 months to 3 years</td> <td>5:1</td> <td>12</td> </tr> <tr> <td>▶ 3 years</td> <td>7:1</td> <td>18</td> </tr> <tr> <td>▶ 4 years</td> <td>8:1</td> <td>21</td> </tr> <tr> <td>▶ 5years</td> <td>9:1</td> <td>24</td> </tr> <tr> <td>▶ 5-9 years</td> <td>10:1</td> <td>20</td> </tr> <tr> <td>▶ 10-12 years</td> <td>15:1</td> <td>30</td> </tr> </tbody> </table> <p>If a family child care home,</p> <p>▶ Registered Providers: Can care for children 6weeks to 12 years old. Either:</p> <ul style="list-style-type: none"> • Up to 6 children, if all are over the age of two or Up to 5 children, if any child is under the age of two; And up to 2 additional school age children, if approved.
