

“
The Council has been a powerful tool for my Child Care development both personally and business wise. I have been allowed to grow through my many mistakes with the proper guidance from their support. The Council's direction has made my Family Child Care excel with the many trainings and tips throughout the nine years of being a service to my community. I strongly recommend their ongoing services to providers and to the Child Care community of Westchester.”
- Dinita Blount, CCCW Member

“
The Youth Bureau has many programs that are licensed through the Council. Each of the registrars that I have worked with has been knowledgeable, very helpful, and professional. No matter what my concern or issue, they are happy to help. The trainings that are offered are greatly appreciated as well. They help to keep myself and staff current on regulations and best practices. Congratulations to the Child Care Council of Westchester Team for a job well done!!”
- Dena Williams, Mt. Vernon Youth Bureau
