Registration Services: The Registration Department offers three main services to Child Care Providers: Processing Initial Family Day Care (FDC) & School Age Child Care (SACC) Applications, Processing FDC & SACC Renewal Applications and performing "50% Inspections" of FDC/SACC Program. During the period of time starting July 1st, 2019 to June 30th, 2020: We served a total of 9 initial FDC applicants (3 - FDC Approved and 6 - FDC Withdrawn), and 15 SACC applicants (5 - SACC approved and 10 -SACC Withdrawn). All initial applicants were approved prior to the contract deadline. The challenge with initial applications has been applicant follow through. Many applicants applied and found that they could not meet OCFS guidelines in the required time period. This issue was exacerbated by the pandemic, causing the numbers of new applications to be lower than normal during the past year. The Registration Department also renewed 60 active FDC & SACC Programs. We assisted them in the process of renewing their registrations (22-FDC and 38-SACC). All renewal applications were completed within the 120 day timeframe. The Registration Department performed 253 inspections of FDC/SACC Program (141-FDC and 112-SACC). All inspections were conducted and closed within the approved timeframes. The greatest

Schedule I, Part I, Line 2 - The Director of Finance and Administration and the Program Directors meet regularly to review the financial information, to ensure that only those expenses that are for the particular project or activity are included in the budget to actual reports, to determine if all activities are on track to completion or if any budget modifications are needed, and to make any adjustments that are necessary to properly report the financial information back to the grantor. The finance department prepares all claims but one (CACFP claims are prepared by program personnel) as required by the agreement either on a cost reimbursement basis or performance of contract basis. Beginning in March of 2020, the Council obtained a state contract to use federal Cares Act funding to assist child care providers. There were two separate programs which in which we participated; The Council's resource and referral department reviewed applications for families of essential workers who were eligible to receive child care subsidies based upon income and other criteria. The other program involved purchasing PPE and cleaning supplies for child care providers. This was organized by the Council's administration department. Payments for supplies and to child care providers was done through the Council's finance department, which provided a second level of review for all funding and disbursements.

CHILD CARE COUNCIL OF WESTCHESTER INC

Employer identification number

Form 990, Part III, Line 2 - Beginning in March of 2020, the Council began aiding child care providers and families with their pandemic related needs. This included distributing PPE and cleaning supplies to child care providers funded by the federal CARES (administered by NY State), administering scholarships funded by the CARES act, distributing food on behalf of Feeding Westchester, and distributing diapers and formula to families that were received by the Council from other non-profits.

Form 990, Part III, Line 3 - Once pandemic related restrictions began in March 2020, the Council suspended in person visitations to child care programs.

Form 990, Part VI, Section B, Line 11b - The Director of Finance and Administration (Director of F & A) prepares a draft of the Form 990 and forwards it to the Council's independent auditors, the Board Treasurer, the Board Finance Committee, and the Executive Director for review and approval. Any questions are discussed and resolved and the Director of F & A makes all changes and resubmits to the audit firm, the Board Treasurer, the Board Finance Committee, and the Executive Director for final approval and then approval by the full Board and signing by the Executive Director. All responses and documentation of preparation of the Form 990 are maintained in the Director of F & A's office. The Form 990 often cannot be filed by the filing deadline, so the independent audit firm or Director of F & A submits an automatic extension request to the IRS. Final copies of the Form 990 are distributed via e-mail to all Board members. If there are any major discrepancies noted or changes requested by the Board Treasurer, the Executive Director, independent auditors, Director of F & A or any Board member, an amended return will be filed. The Council's Form 990 will be available upon request to those who require it.

Form 990, Part VI, Section B, Line 12c - The policy recognizes that a conflict of interest may exist whenever the personal or professional interest of a director or officer are potentially at odds with the Council's. The policy has in place mechanisms that identify and resolve matters to ensure that any such transactions are in the best interest of the Council over and above the interest of the Interested Party where the Interested Party is a director, officer or an immediate family member of a director or officer. A conflict of interest is defined as when actions, contracts, transactions or other dealings between the Council and an Interested Party or a Related Party (defined as any party, group or organization to which an Interested Party has an allegiance or affiliation) may result in a personal benefit to the Interested Party. A conflict of interest may also exist when an Interested Party serves as director, officer or staff member of an organization which competes with the Council or when an Interested Party or Related Party aids, financially or otherwise, such competing organization. Upon election or appointment as an officer or director, all officers and directors shall disclose any relevant interest of an Interested Party or Related Party as they relate to such director or officer which may represent a potential conflict of interest. The incoming officer or director will be provided with a copy of the conflict of interest policy. This disclosure statement is updated at least annually. If any question arises in the mind of any director or officer of the Council as to a potential conflict between his or her own individual interest and those of an immediate family member or those of a Related Party and the interest of the Council, full disclosure of all facts pertaining to the potential conflict shall be made to the Board of Directors. Fact gathering and subsequent review by the Board will determine whether or not an actual conflict exists or would occur. The potential conflict of interest will be addressed by the Council Board as follows: The Board of Directors of the Council shall investigate the potential conflict; The director/officer to whom the potential conflict relates shall not attempt to influence other Directors regarding the matter; The director/officer to whom the potential conflict relates may offer factual information to the Board or Committee, but no director/officer shall vote on their own matter although they may participate in the discussion regarding their exclusion; The Board shall also determine whether or not it can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not be a conflict of interest. The discussion and outcome of the investigation and due diligence performed by the Board will be recorded in the minutes of the meeting of the Board or Committee and will include the names of the persons who disclosed or were found to have a financial interest in connection with the conflict, the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the discussion.

Form 990, Part VI, Section B, Line 15 - Working under the direction of the Council's Personnel Committee, the Council's Senior Staff updated the agency job classification framework and salary range guidelines over the course of almost a year overlapping 2007 and 2008. The approach involved (1) factoring in cost of living adjustments for the eight year period since the previous salary review; (2) updating and standardizing job descriptions; (3) clustering jobs in five to six salary ranges; (4) determining the clusters through a standardized rating of accepted job factors: knowledge, problem-solving, supervision, latitude of decision-making impact, external contacts/relationships, policy involvement and scope of activity. Once defined by the Personnel Committee, the process was carried out by Senior Staff which consisted at that time of the Executive Director, Associate Executive Director, Director of Administration and Personnel, Controller, Director of Employer and Parent services, Institute of School Age Child Care Director, Director of Registration, Director of Health Services, Director of Professional Development and Director of Community Education. Consensus was reached by Senior Staff on the job factor rating of each

job description and the arrangement of all rated job descriptions into six clusters with salary ranges for each, intended to be guidelines subject to the availability of funding. The new salary scale guidelines were used to make some initial salary adjustments in 2008 and since then, to guide salaries offered at hiring. The Council updated these guidelines again in 2017-18. Over the past seven years there have been across the Board increases to all salaries in an effort to make salaries more competitive.

Form 990, Part VI, Section C, Line 19 - The Council's governing documents, conflict of interest policy, and financial statements are available to the public upon request.

Form 990, Part IX, Line 11g - The components of the amount on Part IX Line 11g are \$625,866 for program consultants, \$17,331 for data processing, and \$28,296 for temporary help.

challenge in inspecting child care programs is the timely closure of regulatory violations and providing follow up monitoring for programs in need of additional visits. The number of inspections during the year was also negatively impacted by the pandemic. Legally Exempt Services: The Legally Exempt Department offers two main services to legally exempt child care providers. The department is contracted to process initial applications, renewal applications and conduct annual inspections. During the period of time starting July 1, 2019 to June 30, 2020: We processed 540 legally exempt provider applications. We accomplished our goals due to the efficiency of the workers in the department. The challenge with processing the initial enrollment applications has been the timeframes and high turnover in providers. The challenge in processing the renewal enrollment applications has been the delay in providers submitting the renewal material on time and changes that are needed to be made to the enrollment. The Legally Exempt Department performed 8 20% inspections. All inspections were conducted and closed within the approved timeframes. We were unable to conduct annual inspections due to restrictions put in place during the pandemic. Child Adult Care Food Program: The Child Adult Care Food Program helps providers pay for meals and snacks served to children up to age 13 enrolled in their child care programs. As the sponsor of the contract we are responsible for determining if meals served meet nutritional requirements, conducting monitoring visits, and providing training to participating providers. During the period of July 1, 2019-June 30, 2020 CACFP staff processed 2,624 menus for reimbursing providers for the healthy meals and snacks served to children. The CACFP staff conducted 436 food monitoring visits and added 49 new providers to the program. Between April and June 2020 the Council distributed PPE and other supplies to more than 300 child care providers to help them operate safely during the pandemic. This program was funded by the federal Cares act.
