About the Early Education Hall of Heroes

The Child Care Council of Westchester Early Education Hall of Heroes recognizes exceptional child care and after school professionals and highlights the importance and impact of high quality child care. Approximately 15 professionals will be inducted each year.

Child care and after school professionals may nominate themselves, or be nominated by an employer, Board member, co-worker, friend, family member, parent or anyone else. It is acceptable for a nominee to receive multiple nominations.

Honorees will be chosen by a Selection Committee and be notified in April. They will receive their awards at the Early Education Hall of Heroes Award Ceremony which will take place on June 5, 2020 at 7pm. Honorees should be present to receive their awards.
