2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?  Yes  No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?  Yes  No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

Provider Services Department Accomplishments 7/1/17-6/30/18. Registration Services: The Registration Department offers three main services to Child Care Providers: Processing Initial FDC & SACC Applications, Processing FDC & SACC Renewal Applications and performing "50% Inspections" of FDC/SACC Program. During the period of time starting July 1st, 2017 to June 30th, 2018: We served a total of 24 initial FDC applicants (13 - FDC Approved and 11 - FDC Withdrawn), and 13 SACC applicants (7 - SACC approved and 6 -SACC Withdrawn). All initial applicants were approved prior to the contract deadline. The challenge with initial applications has been applicant follow through. Many applicants applied and found that they could not meet OCFS guidelines in the required time period. The Registration Department also renewed 30 active FDC & SACC Programs. We assisted them in the process of renewing their registrations (18-FDC and 12-SACC). All renewal applications were completed within the 120 day timeframe. The Registration Department performed 137 "50% Inspections" of FDC/SACC Program (78-FDC and 59-SACC). All inspections were conducted and closed within the approved timeframes. The greatest challenge in closing 50% inspections in a timely manner is provider delay in submitting required documents. Form 990, Part VI, Section B, Line 11b - The Director of Finance and Administration (Director of F & A) prepares a draft of the Form 990 and forwards it to the Council's independent auditors, the Board Treasurer, the Board Finance Committee, and the Executive Director for review and approval. Any questions are discussed and resolved and the Director of F & A makes all changes and resubmits to the audit firm, the Board Treasurer, the Board Finance Committee, and the Executive Director for final approval and signing. All responses and documentation of preparation of the Form 990 are maintained in the Director of F & A's office. The Form 990 often cannot be filed by the filing deadline, so the independent audit firm submits an automatic extension request to the IRS and provides proof of extension filing to the Director of F & A. A final review of the IRS Form 990 is performed by the Board Treasurer prior to filing the form with the IRS. Final copies of the Form 990 are distributed via e-mail to all Board members. If there are any major discrepancies noted or changes requested by the Board Treasurer, the Executive Director, independent auditors, Director of F & A or any Board member an amended return will be filed. The Council's Form 990 will be available upon request to those who require it.

Form 990, Part VI, Section B, Line 12c - The policy recognizes that a conflict of interest may exist whenever the personal or professional interest of a director or officer are potentially at odds with the Council's. The policy has in place mechanisms that identify and resolve matters to ensure that any such transactions are in the best interest of the Council over and above the interest of the Interested Party where the Interested Party is a director, officer or an immediate family member of a director or officer. A conflict of interest is defined as when actions, contracts, transactions or other dealings between the Council and an Interested Party or a Related Party (defined as any party, group or organization to which an Interested Party has an allegiance or affiliation) may result in a personal benefit to the Interested Party. A conflict of interest may also exist when an Interested Party serves as director, officer or staff member of an organization which competes with the Council or when an Interested Party or Related Party aids, financial or otherwise, such competing organization. Upon election or appointment as an officer or director, all officers and directors shall disclose any relevant interest of an Interested Party or Related Party as they related to such director or officer which may represent a potential conflict of interest. Such disclosure must be updated annually. The incoming officer or director will be provided with a copy of the conflict of interest policy. This disclosure statement is updated at least annually. If any question arises in the mind of any director or officer of the Council as to a potential conflict between his or her own individual interest and those of an immediate family member or those of a Related Party and the interest of the Council, full disclosure of all facts pertaining to the potential conflict shall be made to the Board of Directors. Fact gathering and subsequent review by the Board will determine whether or not an actual conflict exists or would occur. The potential conflict of interest will be addressed by the Council Board as follows: The Board of Directors of the Council shall investigate the potential conflict; The director/officer to whom the potential conflict relates shall not attempt to influence other Directors regarding the matter; The director/officer to whom the potential conflict relates may offer factual information to the Board or Committee, but no director/officer shall vote on their own matter although they may participate in the discussion regarding their exclusion; The Board shall also determine whether or not it can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not be a conflict of interest. The discussion and outcome of the investigation and due diligence performed by the Board will be recorded in the minutes of the meeting of the Board or Committee and will include the names of the persons who disclosed or were found to have a financial interest in connection with the conflict, the names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the discussion.

Form 990, Part VI, Section B, Line 15 - Working under the direction of the Council's Personnel Committee, the Council's Senior Staff updated the agency job classification framework and salary range guidelines over the course of almost a year overlapping 2007 and 2008. The approach involved (1) factoring in cost of living adjustments for the eight year period since the previous salary review; (2) updating and standardizing job descriptions; (3) clustering jobs in five to six salary ranges; (4) determining the clusters through a standardized rating of accepted job factors: knowledge, problem-solving, supervision, latitude of decision-making impact, external contacts/relationships, policy involvement and scope of activity. Once defined by the Personnel Committee, the process was carried out by Senior Staff which consisted at that time of the Executive Director, Associate Executive Director, Director of Administration and Personnel, Controller, Director of Employer and Parent services, Institute of School Age Child Care Director, Director of Registration, Director of Health Services, Director of Professional Development and Director of Community Education. Consensus was reached by Senior Staff on the job factor rating of each job description and the arrangement of all rated job descriptions into six clusters with salary ranges for each, intended to be guidelines subject to the availability of funding. The new salary scale guidelines were used to make some initial salary adjustments in 2008 and since then, to guide salaries offered at hiring. The Council updated these guidelines again in 2017-18. Over the past five years there have been across the Board increases to all salaries in an effort to make salaries more competitive.

Form 990, Part VI, Section C, Line 19 - The Council's governing documents, conflict of interest policy, and financial statements are available to the public upon request.

Child Care programs are required to receive renewal inspections. The Registration Department completed 16 SACC and 22 FDC renewal inspections. Legally Exempt Services: The Legally Exempt Department offers two main services to legally exempt child care providers. The department is contracted to process initial applications, renewal applications and conduct 20% inspections. During the period of time starting July 1, 2017 to June 30, 2018: We processed a total of 837 legally exempt provider application. We accomplished our goals due to the efficiency of work in the department. The challenge with processing the initial enrollment applications has been the timeframes and high turnover in providers. The challenge in processing the renewal enrollment applications has been the delay in providers submitting the renewal material on time and changes that are needed to be made to the enrollment. In addition, staff struggles to contact providers because provider's phone numbers frequently change and are not in service. The Legally Exempt Department performed 45 20% inspections. All inspections were conducted and closed within the approved timeframes. The biggest challenge in closing 20% inspections in a timely manner is provider's delay in submitting documents. Another challenge is providers were not consistent with keeping scheduled inspections. Child Adult Care Food Program: The Child Adult Care Food Program helps providers pay for meals and snacks served to children up to age 13 enrolled in their child care programs. As the sponsor of the contract we are responsible for determining if meals served meet nutritional requirements, conducting monitoring visits, and providing training to participating providers. During the period of July 1, 2017-June 30, 2018 CACFP staff processed 2,640 menus for reimbursing providers for the healthy meals and snacks served to children. The CACFP staff conducted 766 food monitoring visits and added 40 new providers to the program.
